 "YOUR
SUCCESS
IS OUR PRIORITY"

- ▶ This campus is built on the ethos of Eco- effectiveness with ever living sustainable architecture moulded to respect nature.
- ▶ Our pathways and courtyards are intended to be places to stay, learn and evolve not just mere places to pass.

SRKINS ▶

Our Sylvian and sprawling campus provides safe and secure environment with state of the art security and monitoring system. Our theme based nursery classrooms are our prudence. Communicative English fine and gross motor skills, and cognitive skills get sharpened.

PLAY ROOM ▶

Our playroom is a special option for babies. All indoor play items they practice. Outdoor kids park enthuses, enthralls and enthrills them.

CLASS ROOMS ▶

Scientifically designed classrooms and child friendly building and furniture gives a layout for conducive learning. Our interactive boards and internet access caters for quality education. Visual learning adds retention.

It is purely child centered child friendly and child oriented inclusive system. SRKINS endeavours to implement the child centric methodologies with a momentum that take every SRKIN'S baby forward.

SRK International School stands tall in facilitating children with holistic education.

Welcome to the world of quality education. In this cyber world we create a new perspective and high academic atmosphere. We aim at the full integration of personality, wholeness and dedication. Life lessons and moral lessons are our hall mark.

 **“YOUR
SUCCESS
IS OUR PRIORITY”**

SRKINS realizes the inherent potential which lays latent in every child. Through world class education all skills are harnessed and channelized for personality moulding. Hence SRKINS aims to provide an integrated scheme of education giving thrust to body and mind to encounter the challenges of life.

Our aesthetically designed Science lab is a rare asset. Children thrive under the guidance of highly trained and proficient faculty. SRKINS is a trend setter and most sought after school of this place.
